## British Royal Party Will Be Here June 2

Two Specific Rest Days Are Named in Alberta, One at Jasper and Another at Banff

By THOMAS WATLING  
Exclusive to The Edmonton Bulletin  
OTTAWA, Jan. 4.—The people of Alberta and British Columbia will be given ample opportunity to see Their Majesties on the forthcoming royal visit. Victoria shares with Quebec and Ottawa the honor of being the only capital where Their Majesties will detain overnight. Throughout the tour the royal couple will make an appearance wherever possible, even if it is only at divisional points.

The people of the following towns will be able to see their rulers either at the station or for longer in the city itself: Edmonton, Medicine Hat, Calgary, Banff, Kamloops, Vancouver, Victoria, New Westminster, Chilliwack and Jasper.  
Two specific rest days are arranged in Alberta, at Banff and the other at Jasper. It is expected that thousands of visitors will be passing through these mountain resorts on these occasions.  
The itinerary is set out in final and three can be so arranged. The plan has been approved by Their Majesties.

OTTAWA, Jan. 4.—King George and Queen Elizabeth will make about 30 brief personal appearances in Canada during the course of the month-long tour of the Dominion and the United States beginning at Quebec May 13. The itinerary, approved by Their Majesties, was made public last night.  
Their Majesties will travel almost entirely by train but will use automobiles for a section of the New Brunswick tour and steamers for the trip to Vancouver Island and to Prince Edward Island. They will sail from Halifax June 15.  
While visiting the city of the omission of their coronets and districts from their tour. Prime Minister Mackenzie King expressed confidence that Canadians would appreciate the brevity of the itinerary and what is involved in Their Majesties' undertaking to visit and address the people in the limited time at their disposal.

## Itinerary of Royal Party Gives Many Hours in This City

The Canadian Press  
OTTAWA, Jan. 4.—Itinerary of the King and Queen in Canada next May and June, made public last night, shows that the royal party will spend 10 hours in this city.

## House Membership Is Reduced To 56 By Redistribution

Two major proposals for redistribution of Alberta political constituencies and revision of representation in the legislature are before the special legislative committee appointed at the November special session. Hon. Lucien Maynard, minister of municipal affairs stated Wednesday. The committee of which Mr. Maynard is chairman is representative of the Social Credit, Liberal and Conservative forces in the house and is to submit a report to the house at the next regular session.

### SEARCHERS OUT FOR VETERAN COAST MINER

#### B.C. Police Are Looking For British Columbia Prospector

STEWART B.C. Jan. 4.—British Columbia police have begun a search for Jack Markley, veteran Portland Canal prospector who disappeared three weeks ago during a trip in from Bitter Creek valley to the north.

Stewart is at the head of Portland canal, north of Prince Rupert, where a search for three other missing persons has continued since before Christmas.

Just before the search for Markley began, Prince Rupert police learned in a message from Lowe that the body of the missing prospector, had been recovered, but no other details were given. A message was found inside a flannel sack in Lowe's boat, Dec. 23.

Two other fishermen, Jimmy Greaves and John Greaves, were caught by a police boat off Cape Calver, north of Queen Charlotte Sound. They have been charged with trespassing on the coast since December 19, when they left their boats on a fishing expedition.

### TRANS-OCEAN POSTAL RATES BY AIR LOOM

#### Governments Will Set Amounts To Be Charged Service

OTTAWA, Jan. 4.—The postal rate on mail carried across the Atlantic between Southampton and Montreal will be fixed by the government after negotiations with the postal authorities.

Carriage of mail, express and passengers across the Atlantic by Newfoundland will be done by Imperial Airways as a company joint company. British rates will be set at 10 per cent of the cost with Canada and the United States at 25 per cent each.

Until a regular service is inaugurated, this coming spring, the 24-ton boat class flying boats, as announced in London yesterday, actual cost will not be subject to a 10 per cent of the cost with Canada and the United States at 25 per cent each.

Under the complicated international postal system, rates are fixed in Denmark for Japan, via Singapore and India, and are subject to a "transit charge" by each country it passes through. Thus the trans-Atlantic service will receive added revenue from European countries other than Britain.

By regional arrangement with United States, Canadian rates will remain the same for the domestic rate of six cents an ounce.

**ADDITIONAL CHARGE**  
The United States, service connects with the Caribbean and Central and South American service at Miami, beyond which point Canadian mail must pay additional postage.

Trans-Canada Airlines acts as the Dominion's agent in the trans-Atlantic service, and will contribute the Canadian share of the cost in the all-British international company.

Otherwise Canadian government services will contribute to the new venture in Empire communication.

**Child Injured As Sleigh Hits Wheel Of Truck**  
CALGARY, Jan. 4.—As a result of an accident yesterday in which a sleigh hit a truck, a child was injured and the sleigh crashed into the rear wheel of a truck, city police have issued a warning to mothers to keep their children from sleighing on the streets.

Five-year-old Kenneth Cameron and Brian Hedges, aged four, suffered injuries yesterday afternoon when a sleigh, speeding out of a lane, crashed into a truck driven by Mrs. B. Hedges. The child was injured and the sleigh crashed into the rear wheel of a truck, city police have issued a warning to mothers to keep their children from sleighing on the streets.

Before the days of air sailing, required about 300 tons of stock to be taken together a 300-ton ship.

Mr. Maynard's announcement of two major proposals. Mr. Maynard stated that one is on the basis of the present membership of 63 members and one is on the basis of a reduction of five rural constituencies and a reduction of one each in Calgary and Edmonton, a total membership of 56.

Commenting on the situation, Mr. Maynard said:

"The committee on redistribution has received a great many suggestions on the method of electing members to the legislature and on the number of members required in the house."

"No decision has been reached yet by the committee. The committee has received two proposals for the redistribution of the constituencies. One is on the basis of the present membership of 63 members and one is on the basis of a reduction of five rural constituencies and a reduction of one each in Calgary and Edmonton, a total membership of 56."

## Maps Explain Redistribution Proposal

### Science's Long Struggle Against Pneumonia Curse Advanced By Discovery

NEW YORK, Jan. 4.—Science's long struggle to reduce the more than 10,000 deaths caused by pneumonia each year in North America each year by pneumonia was advanced a step today by the discovery that anti-pneumococcus serum has been developed for all 32 types of pneumonia.

Dr. Richard S. Smith, of the University of Chicago, announced that he had developed a method for producing anti-pneumococcus serum for all 32 types of pneumonia. The serum is produced in rabbits and is used to treat pneumonia in humans.

The serum is produced in rabbits and is used to treat pneumonia in humans. It is a significant advance in the treatment of pneumonia, which has been a major cause of death for many years.

### Optimistic Forecasts For Canada In 1939 Made By Industrialists

MONTREAL, Jan. 4.—Optimistic forecasts for the future of Canada are voiced by federal and provincial cabinet ministers, industrialists and financiers writing in the *Canadian Commercial and Financial Review* published today.

Looking back on the year just passed, most in many opinions, though the Depression was deep, while it had its drawbacks, Canada 1938 progress compared with other countries was "distinctly better" and that the situation would be reflected in a general upturn in the year ahead.

St. Edward's University, Montreal, asserted that for 1938 "Canada has done well, particularly better than most countries. It was optimistic for the Dominion on the long term, and it is becoming possible that 1939 will show improvement over 1938."

Completion of the Canada-U.S. trade agreement, which was signed by Prime Minister Mackenzie King and President Roosevelt, was cited by many as a "great achievement" of the Canadian year. Through the pact, the Dominion is to benefit from the general growth and expansion of the United States.

The "great achievement" of the Canadian year, through the pact, the Dominion is to benefit from the general growth and expansion of the United States. The pact is seen as a "great achievement" of the Canadian year.

## R. B. BENNETT IN PATRIOTIC TALK TUESDAY

### Avers Strong Militia Needed As Democracy Is Threatened

CALGARY, Jan. 4.—R. B. Bennett, former Canadian prime minister, who will leave later this month for the United States, said today that democracy on this continent is threatened and that it is up to us to defend the principles in which we believe.

He delivered a patriotic address at the National Legion of Women in his home.

The speaker of democracy had always been a matter of criticism, but today he had a new meaning in the hands of those who prepared to hold it. Even in the absence of a general election, the speaker of democracy was present, he asserted.

### COL. VANIER IS NAMED CANADA ENVOY IN PARIS

#### Prime Minister King Makes Appointments In Service

OTTAWA, Jan. 4.—L. Col. G. P. Vanier, commander and secretary of the Canadian High Commissioner's office in London, has been appointed minister to France and Canada.

Vanier, who is a member of the Canadian Legion in Paris, has been named minister to the dual legations for Belgium and the Netherlands.

Prime Minister Mackenzie King announced the appointment last night following receipt of formal approval from the King.

In appointing Vanier to the post, King is sending a strong message to the French government that Canada is standing by its promise to support the French government in its fight against the Germans.

## FALLOW WILL TALK IN EAST ON ROAD PLAN

### Minister Plans To Leave Friday—Says No Engineering Difficulties

Hon. W. A. Fallow, minister of public works, plans to leave here on Friday night for Ottawa, where he will confer with Hon. T. A. Crerar, minister of mines and resources, and Dr. Charles Camshell, deputy minister, regarding construction of northern highways.

Asked regarding an unconfirmed rumor from Ottawa that Dr. Camshell did not agree with some statements the minister previously had made in respect to a telephone conversation regarding construction of the highway from Fort Vermilion to the junction of the Hay River and Great Slave lakes, Mr. Fallow said that there surely could be no misunderstanding regarding the

"Dr. Cammell informed me that the Dominion agreed with the principle of the highway and that it could see no engineering difficulties in the way. If he did not, then why would he have invited me to come to Ottawa to discuss details?"

Mr. Fallow said that few details were discussed over the long distance telephone on December 24, but that it was agreed that an aerial survey would be desirable as a first action.

Regarding division of costs of building the highway, Mr. Fallow recalled Mr. Crenna's own statement in Parliament that the Dominion would pay two-thirds of the cost of highways into northern

The fourth Thursday of each month has been named as the day upon which the C.C.F. clubs will meet in 1939, Elmer Roper, secretary of the Alberta C.C.F. clubs, said on Wednesday. Grant McNeil, M.P. for Vancouver, may speak at the January meeting, he said.

# PUBLICITY FOR RELIEF URGED BY MACKENZIE

Says Citizens Should Be  
Given Complete Picture  
Of Administration

A campaign by citizens newspapers to give citizens a complete picture of relief administration was urged here today by A. A. Mackenzie, chairman of the Alberta Unemployment Relief Commission.

"Citizens newspapers should be given the right to publish the complete picture of the relief situation," Mackenzie asserted. "The distressed citizen would then be able to make more intelligent decisions and more funds for those deserving relief would be available."

"The state of publicity would eliminate even understanding citizens from relief rolls," Mr. Mackenzie asserted. "The distressed citizen would then be able to make more intelligent decisions and more funds for those deserving relief would be available."

Loughlin Laddies Are Weary But Put Up Great Defence in Overtime to Complete Grand Road Trip

BLAIRMORE, Jan. 4.—Edmonton Eskimos last night completed one of the most successful road trips in the Alberta Senior Hockey League this season by battling Coleman Canadians to a 1-1 draw here last night. Edmonton strengthened its fourth place position, garnering five points in three games, which began at Olds Saturday night.

Mark Maveety on a relay from Bob Hasky gave Edmonton the lead in the second period, but Ben Redsky took George Jenkins' pass for the tying counter in the third canto.
